Chris Williams & Yessica Flores, Fundraising Co-Chairs

Sponsoring this event is an excellent opportunity for your organization to show commitment to the community and support Habitat's mission of eliminating substandard housing. Monies raised will be contributed to construction of 8 more homes in our Habitat neighborhood, New Hope Acres, for 8 more qualified families.

As a sponsor, you will receive recognition at the tournament, placement on our social media pages, and inclusion within promotional material.

Habitat Pickens would be honored to have your support for this important day. Following are the sponsorship levels you can choose to help us achieve our mission.

"The expansion of Hope Street in New Hope Acres is allowing us to continue our mission of building a community, one home at a time; changing lives, giving hope, and securing the future for the families we serve."

“Thank you for the work you do in Pickens County. Without you I don’t know what the living situation would be for me and my children.
