

SECOND ANNUAL GOLF CLASSIC

OCTOBER 2, 2023

Habitat for Humanity Pickens County is dedicated to improving the lives of families in our community through affordable housing. Our upcoming golf tournament is a fundraising event that will help us further our mission and develop Phase II of New Hope Acres.

We are reaching out to you as a potential sponsor for this tournament. Your support will not only provide a fun and exciting day of golf, but it will also have a meaningful impact on the families we serve. All proceeds from the tournament will go directly towards the development of Phase II, which will provide additional homes for families in need.

As a sponsor, you will receive recognition at the tournament, on our website and in promotional materials. This is an excellent opportunity for your company to show your commitment to the community and to supporting affordable housing initiatives.

We would be honored to have your support for this important event. Please let us know if you have any questions or if there is any additional information we can provide.

Thank you for considering a sponsorship for the Habitat for Humanity Pickens County golf tournament. We look forward to working with you to make a positive impact in our community.

“Thank you for the work you do in Pickens County. Without you I don’t know what the living situation would be for me and my children. I experienced an outpouring of loving care and wonderful people eager to help. The Habitat community is family to us and 5 years later, we are still happy in our home. “

Nicole Walker, Homeowner #18
