Sponsoring this event is an excellent opportunity for your organization to show commitment to the community and support Habitat’s mission of eliminating substandard housing. Monies raised will be contributed to developing the infrastructure of Phase II of our new Habitat neighborhood, allowing us to build 8 more homes.

As a sponsor, you will receive recognition at the tournament, placement on our social media pages, and inclusion within promotional material.

Habitat Pickens would be honored to have your support for this important day.

“Expanding Hope Street in New Hope Acres will help us with our mission of building a community, one home at a time; changing lives, giving hope, and securing the future for the families we serve.”

Monique Vinelli, BOD President, Habitat Pickens

“Thank you for the work you do in Pickens County. Without you I don’t know what the living situation would be for me and my children.
